Regulation (EEC) No 907/73 of the Council of 3 April 1973 establishing a European Monetary Cooperation Fund

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 235 thereof;

Having regard to the proposal from the Commission;

Having regard to the Opinion of the European Parliament;

Having regard to the Opinion of the Economic and Social Committee;

Whereas the Council Resolution ⁽¹⁾ and the Representatives of the Governments of the Member States of 22 March 1971 on the progressive establishment of economic and monetary union in the Community provided for the establishment of a European Monetary Cooperation Fund to be integrated at a later stage into a Community organization of central banks;

Whereas the Heads of State or of Government meeting in Paris on 19 and 20 October 1972 envisaged that the Fund should be established before 1 April 1973;

Whereas the Council has been informed of the Opinions requested on this subject in the Council Resolution ⁽²⁾ and the Representatives of the Member States, of 21 March 1972, from the Monetary Committee and from the Committee of Governors of the Central Banks;

Whereas the purpose of the Fund must be to contribute to the progressive establishment of an Economic and Monetary Union between the Member States of the European Economic Community, which, in its final stage as regards its monetary aspects will have the following characteristics:

- either the total and irreversible convertibility, at irrevocable parities, of Community currencies against each other,
- or the introduction of a common currency;

Whereas it is necessary to confer immediately on the Fund the responsibility for facilitating both the concertation necessary for the smooth operation of the exchange arrangements introduced in the Community and for the settlement of the positions resulting from interventions in Community currencies, for assuring thereby the multilateralization of intra-Community settlements, and for administering a financing mechanism which combines the mechanism for short-term monetary support contained in the Agreement of 9 February 1970 between the Central Banks of the Community with the mechanism for very short-term financing which was contained in the Agreement of 10 April 1972 between those same Central Banks;

Whereas the conferment of these responsibilities constitutes merely a first stage in the progressive development of the Fund ; whereas it is therefore important that the Statutes of the Fund should be drawn up in such a way as to permit the scope of its activities to be gradually extended;

Whereas it is necessary to establish the Fund if Community objectives are to be attained, in particular as regards the progressive harmonization of the Member States' economic policies, the proper functioning of the common market and the establishment of economic and monetary union ; whereas the Treaty made no provision for the powers essential to the establishment of the Fund;

Whereas it is appropriate to specify that the general provisions of the Treaties concerning the European Communities as regards privileges and immunities, non-contractual liability and the obligation of professional secrecy are applicable to the Fund;

HAS ADOPTED THIS REGULATION:

Article 1

A European Monetary Cooperation Fund, hereinafter referred to as 'the Fund', is hereby established ; it shall have legal personality.

Article 2

Within the limits of its powers the Fund shall promote:

- the proper functioning of the progressive narrowing of the margins of fluctuation of the Community currencies against each other;
- interventions in Community currencies on the exchange markets;
- settlements between Central Banks leading to a concerted policy on reserves.

Article 3

In the first stage of its functions the Fund shall be responsible for:

- the concerted action necessary for the proper functioning of the Community exchange system;
- the multilateralization of positions resulting from interventions by Central Banks in Community currencies and the multilateralization of intra-Community settlements;
- the administration of the very short-term financing provided for by the Agreement between the Central Banks of the enlarged Community of 10 April 1972 and of the short-term monetary support provided for in the Agreement between the Central Banks of the Community of 9 February 1970, to which the Central Banks of Denmark, Ireland and the United Kingdom acceded with effect from 8 January 1973, and the regroupment of these mechanisms in a renewed mechanism.

Article 4

The provisions contained in the Agreements referred to in the third indent of Article 3 shall become the administrative rules of the Fund. The necessary technical adaptations to those provisions shall be made by the Board of Governors of the Fund without however changing the basic nature of those provisions and in particular the consultation procedures contained therein.

Article 5

The Statutes of the Fund are set out in the Annex to this Regulation and form an integral part thereof.

Article 6

This Regulation shall enter into force on 6 April 1973.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Luxembourg, 3 April 1973.

For the Council
The President
R. VAN ELSLANDE

- where the parities change in different proportions : in the same direction as the change and in the same proportion as the smallest change in parity or central rate, unless the Council decides on a larger change. In such a case the Council shall act within three days from that of the official announcement by the first Member State to change the parity or central rate of its currency, and in accordance with the procedure laid down in the fourth paragraph of this Article.

Simultaneous changes mean changes in the parity or central rate of the currencies of the Member States made within the three-day period referred to above.

Any other changes in the value of the unit of account shall be decided on by the Council, acting unanimously on a proposal from the Commission after consulting the Monetary Committee and the Board of Governors of the Fund.
