## Council Regulation (EEC) No 2743/80 of 27 October 1980 amending Regulation (EEC) No 1172/76 setting up a financial mechanism

The Council of the European Communities,

Having regard to the treaty establishing the European Economic Community, and in particular article 235 thereof,

Having regard to the proposal from the Commission <sup>(1)</sup>,

Having regard to the opinion of the European Parliament <sup>(2)</sup>,

Having regard to the opinion of the Court of auditors <sup>(3)</sup>,

Whereas the experience gained in the implementation of regulation (EEC) no 1172/76 <sup>(4)</sup>, and the developments which have taken place since its adoption have made certain technical amendments necessary;

Whereas, following the Council conclusions of 30 May 1980 <sup>(5)</sup>, certain provisions of regulation (EEC) no 1172/76 concerning the United Kingdom should be suspended for 1980 and 1981;

Whereas, in accordance with these conclusions, the Community is pledged to resolve the problem for 1982 by means of structural changes; whereas the Commission was entrusted with the mandate of carrying out, by the end of June 1981, an examination of the development of Community policies without calling into question the common financial responsibility for these policies which are financed from the Community's own resources, or the basic principles of the common agricultural policy; whereas, taking account of the situations and interests of all member states, this examination will aim to prevent the recurrence of unacceptable situations for any of them; whereas, if this is not achieved, the Commission will make proposals along the lines of the 1980 to 1981 solution; whereas it should be laid down that the provisions to apply for 1980 and 1981 will apply for 1982 if the Council, acting unanimously on a proposal from the Commission, decides that a solution along the lines of that adopted for 1980 to 1981 is necessary for 1982,
