

'The European bargain, at home and abroad' from The Guardian (12 December 1974)

Caption: On 12 December 1974, commenting on the outcome of the Paris Summit of 9 and 10 December, British daily newspaper The Guardian analyses the difficult position of Harold Wilson, British Prime Minister, who must renegotiate with his partners the conditions for the United Kingdom's accession to the European Communities while making sure he does not endanger the outcome of the national referendum on whether the country should remain in the Communities.
