Committee on Non-Represented Nations
to the Chairman of the Political Committee

Paris, 16th November 1961

Dear Mr. Chairman,

The Committee on Non-Represented Nations has been considering since last year the political, economic and social situation in Spain. Several experts on the various aspects of the question have been heard by the Committee.

./.

Monsieur Paul Struye,
President of the Senate,
Chairman of the Political Committee
of the Assembly of the Council of Europe,
79, rue Washington,
Brussels.

A 67.195

The conclusions reached are summarised briefly in the Opinion which Mrs. Renger, Rapporteur of our Committee for this question, has prepared for the use of your Committee. This Opinion will be sent to you very shortly (1).

The Committee on Non-Represented Nations has asked me to bring this Opinion to your particular attention in the hope that your Committee will be able to make use of it. Naturally Mrs. Renger is at the disposal of your Committee and especially of your Rapporteur, Mr. Duynstee, should any further information be required.

Believe me, dear Mr. Chairman,

Yours sincerely,

Michel Junot.
